

## AFFILIATE BUSINESS MEMBER

The International Forwarders and Customs Brokers Association of Australia Ltd. (IFCBAA) welcomes as members business entities from all sectors of the international trade logistics and supply chain management.

This includes entities that may not otherwise meet the criteria for being a Business Member of IFCBAA. In this instance, these companies may apply to become an Affiliate Business Member and enjoy all the benefits of IFCBAA membership, other than voting rights.

Affiliate Business Membership provides access to expose your brand, network and connect with IFCBAA members and obtain the latest industry information which is considered critical in making informed business decisions. This information is both timely and well-researched, emanating from both the IFCBAA local and international sources created through its close links with all the major national and international industry representatives and regulatory agencies.
