

## BUSINESS MEMBER

The International Forwarders and Customs Brokers Association of Australia Ltd. (IFCBAA) offers business membership to a sole proprietor, a partnership or corporation which (principally) engages in the business of customs broking and/or international freight forwarding industry related services.

The membership fees are calculated on the number of employees who hold a current Customs Broker License or by the number of State branches for Freight Forwarders.

The annual membership fees will cover a business for the financial year (July – June) and reduced pro-rata fees apply for applications received during the financial year, which must be approved by the Board.
